Vehicles and yachts will be carried in accordance with our conditions of carriage- all insurance to be arranged by the owners. Shipment would have to be on our morning departure from Portsmouth on 13th June or earlier (No sailing on 12th June) and we would intend shipping back the yachts on Sunday 19th June- yachts to be available by 0700hrs. As discussed we would request assistance in loading the yachts onto the vessel with your vehicles. This would also apply to shipments ex Portsmouth.
